OCTOBER 2020

### FROM THE HEADTEACHER'S DESK

As Headteacher of Gowerton School I am always proud of the work of our pupils and staff. The year of 2020, more than most, I've been overwhelmed by the positivity, effort and hard work of our school community to continue to work together in the most difficult of circumstances. Although we have been unable to hold our usual community services at school, we have endeavored to continue to provide as many as possible in a virtual world.

We managed to create virtual services for Remembrance and for our Christmas Carol service. I'd like to thank staff for sharing their time and talents to record these for our pupils and school community. They can be found on our website.

Every year we normally contribute to the Mr X appeal with pupils collecting money. In the current situation the pupils were unable to do this so instead the 6th form and staff bought gifts for Mr X to ensure children in need could enjoy Christmas gifts.

Three of our year 9 pupils competed in a Christmas Card competition organised by the Paul Popham charity. Here are their entries for which they received gift vouchers. Well done Mia, Ellie and Cerys.

The school works closely with the Paul Popham charity. The money raised from Christmas jumper day 2020 went to this charity. Well done to the pupils for making an effort. Especially Honey in year 11 with her amazing hairstyle!

Staff also contributed to another local good cause. The Gower food hub needed food for families in need over Christmas. We were able to give a good selection of food.
