## YEAR 7

Our next generation of Year 7 pupils have settled well even in these unusual times. Unfortunately at the moment we cannot provide our wide selection of extra curricular activities but this has not disheartened the pupils. They are enjoying the lunchtime in their year group zone and making the most of the fine weather.

## COVID-19

Our normal school routine has had to be adapted to ensure we keep our whole school community as safe as possible during the Covid-19 pandemic. Everyone is working hard to establish the new routine of wearing masks in corridors and on buses, washing hands regularly and using the hand sanitizers based in every room and in corridors.

We look forward to getting through this and resume our normal busy extra curricular routines but in the meantime pupils are working hard in lessons to improve their learning.

## YEAR 6 GUIDED TOURS

This year we will be doing individual guided tours for families interested in applying for a year 7 place in September 2021. Our normal Open Evening and Roadshows have had to be cancelled but the information regarding the family tours can be seen on our website.

**Year 6 Parents/Carers**

Due to the current Covid-19 pandemic we are unable to hold our annual year 6 open evening at the school. We will be running socially distanced guided tours for families wishing to visit us instead. Please visit [www.Gowerton.com](http://www.Gowerton.com) and click the big orange button to book a tour with us.
